Pastor's Epistle

Dear Brothers and Sisters in Christ,

Grace and peace to you from God our Father and our Lord and Savior Jesus Christ.

Earlier this year, continuing the congregation's effort to explore who we are in this day and age, and, to ascertain our current calling as disciples of Christ, some of you participated in a book study on "Reclaiming the "L" Word" written by Kelley Fryer. In that study, we reflected on the "Five Guiding Principles" for understanding what it means to be a Christian from the Lutheran perspective. These are as follows:

1. Jesus is Lord
2. Everyone is welcome
3. Love changes people
4. Everyone has something to offer
5. The world needs what we have

Both the Council and the study group appreciated this book for its challenge and affirmation of our faith. I also included these principles in a sermon series during Lent.

Now that Easter is passed by, we are entering into the days after Pentecost by studying the 2nd book in this series, "Reclaiming the "C" Word: Renewing the Church From Its Lutheran Core" also by Kelley Fryer. In this book, we discuss how the "Church" as we know it, is experiencing fundamental transition into a new way of *being* "Church" – the Church is not an organization or building. It is "*people of God who are being transformed by the Holy Spirit to proclaim the Gospel in word and deed*" (Reclaiming the "C" Word" by Kelley Fryer, pg 46). Each person gathered together in the name of Christ is an individual member of the Body of Christ, called to be Christ in the world today. Wherever we are – so is the Church! We are all called to proclaim the love of Jesus Christ every day, no matter what we are doing. What a privilege and honor to participate in the expansion of God's reign of love!

If we gather as the people of God to equip and empower people to be the "Church" *out there*, we will engage in ***five strategic behaviors***: (1) Get Focused (2) set people free (3) take action (4) expect surprises, and (5) be hopeful (*Reclaiming the "C" Word: Daring to be Church Again*" Kelly Fryer, pg 46). This doesn't happen by accident – those who gather together will do these by choice and with deep intention.

We here at St. Paul's Lutheran are known within the community as a group of good, loving people. We care deeply for people both locally and globally through many mission activities. But God is calling us to a deeper level of commitment and service in which we accompany people in their daily lives with words of Gospel encouragement, a listening ear, and acceptance of who they are as they are. We can no longer be the place to go – we ARE the church – living and breathing in a hurting world. In 20 years we may look quite different than we do now. Are we willing to be flexible, to try new things, to possibly fail in the process, and trust God to be in the midst of all we say and do?

Come join those of us in the book study. Pray for the congregation that God's Spirit might continue to radiate to the wider communities through us in large and small ways. Pray that we embrace the Holy Spirit's work within us to speak truth in love to our families, neighbors, politicians and world leaders. Our time to be God's instruments is always short – let's make the most of it.

Walking with you along the Way – Pr. Nancy

Our Mission Statement

*Called by Christ to love
God & neighbor
through deepening prayer,
broadening fellowship,
and expanding worship.*

"In this is love, not that we loved God but that he loved us and sent his Son to be the atoning sacrifice for our sins. Beloved, since God loves us so much, we also ought to love one another."

WELCA Bible Study:

Wednesday, May 10 at 11:00 am.

"No Catchy Slogans," looks at Scripture passages about giving. "Giving money is an important topic for Christians to consider. All congregations need money to pay pastors, care for buildings, and support ministries. All people need encouragement and guidance about their relationship to money. Few things affect our daily life more. It seems appropriate that the Bible gives so much attention to money and giving. Yet, it's too common to see Bible passages taken out of context, turned into catchy slogans, and enforced as rules that Christians should follow."

Session 1: Give in Secret

Giving money is an important topic for Christians to consider, but taking Scripture out of context confuses the message.

MISSIONS TASK FORCE

SCHOOL SUPPLIES: St. Paul's Mission's Task Force decided to help the Monroe County Ministerial Association again this year by filling school bags with school supplies for the Albia Community School District's 2015-20156 school year. The grades needed are k-8th grade, and several congregations are participating.

St. Paul's has signed up to fill **12 school bags** for this fall's **kindergarten** class. The supplies are as follows:

School box (6 x 8" – No Larger)	1 large eraser	1 box Crayola Classic Markers
1 Roll of paper towels	12 large glue sticks	Beach towel for resting
2 water color paints	2 rolls of scotch tape	1 pair Fiskars scissors
2 large boxes of Kleenex	1 pkg Clorox wipes	1 bottle Elmer's glue (4 oz.)
1 pkg 8x12 color construction paper	5 pencils	Zip lock baggies (any size)
Headphones or earbuds	Lunch sacks	Paper plates (any size)
Dixie Cups	Masking Tape	

We need all the supplies by the **week of Aug. 4-8th** so we can fill the bags and bless them on Sun. Aug. 10th. The bags will then be delivered to the Kendall Administration Building and the school will get them to the children. Thanks for all your assistance as we help out the many families who struggle in the fall to meet all the requirements necessary to help their children have a successful experience in school.

Restoration Day Parade Float

(Saturday, Aug 8)

We are starting early this year to collect donations of water bottles to pass out at the parade with our church information on them.

(Restoration days is 2 weeks earlier this year.)

Last year we were able to pass out 1,400 bottles of water. Bring in your water bottles any time to the church.

BACK VIEW

Mission's Task Force is encouraging St. Paul's members to purchase a **God's Work Our Hands** t-shirt. The back of the t-shirt would have our church name on it. Order forms are in the fellowship hall & on the Web site. Cost of shirts \$7.50-\$12.00.

Deadline to order the shirts is July 1st.

We would like to wear the shirts in the Restoration Day Parade while handing out water bottles.

FRONT VIEW

This is a great way to be a more visible presence in our community whenever we do a missions project.
