## Pastor's Epistle

Dear Brothers and Sisters in Christ,

Grace to you and peace from God our Father and our Lord and Savior Jesus Christ.

I can't believe we are entering the month of May already – shees! My how the days, weeks and months fly by! Prom was here and now is gone - and maybe we anticipate attending confirmations, high school and college graduations – maybe even weddings. Everywhere one looks there are turning points in our lives – the month of May seems to enjoy many of them.

Turning points are often good times to take a moment to reflect on who you are as a child of God and where God is alive in your life.

Confirmation is a turning point event - we publicly express our faith and state unequivocally that we have died in Christ, risen in Christ and believe that, in Christ, we are being made new. Such a declaration reminds us that confirmation is not an ending – but the next step in a life-long journey walking with Jesus through our whole life. We remain called to a life of faithful service, committed to regular worship, friendship and fellowship with other Christians so that we may be strong in faith. Such faith keeps us steady in the midst of the conflicts and challenges of life that will sometimes drop us to our knees.

Confirmation, like graduation, moves us forward into the next phases of our life – those next chapters of life such as getting a degree from college or a technical school, jobs, new adult relationships, moving to a new location – always in the presence of Christ and empowered by the Holy Spirit. Wrapped in the love of Christ, and carried by the non-stop prayers of your family and friends, each of us can continue to look ahead to a future of hope and tremendous possibilities.

These turning points in our lives are also a time of letting go. We let go of the old ways of doing things that no longer work in the new situations: sometimes this means that old relationships change or end because, as we change and grow into deeper and richer human beings, friendships also need to grow. If they don't evolve – they become dormant – because the one consistent reality in daily life is that "change happens". We also let go of old patterns of daily life, maybe old favorite foods, even old preferences in the things we like. Sometimes "letting go" can be painful, sometimes it can be sad, sometimes it can be confusing – but in large and small ways, letting go is life-changing.

## Our Mission Statement

*Called by Christ to love  
God & neighbor  
through **deepening prayer,**  
**broadening fellowship,**  
and **expanding worship.***

"In this is love, not that we loved God but that he loved us and sent his Son to be the atoning sacrifice for our sins. Beloved, since God loves us so much, we also ought to love one another."

1 John 4:10-11

These turning points are also times of embracing new people, situations, locations, and better ways of being who we are in Christ. New jobs, new places to live, and new people in our lives challenge us to love more deeply, stretch ourselves to learn new things, languages, and cultures, and challenge our world view, maybe even our faith. God is able to walk with you through all of this, even challenges to your faith, and bring you to an ever-deepening faith in Christ, in yourself, and with your family, friends, co-workers, and the strangers you meet each day.

Turning points are the juice, the oil, and the heart of life in Christ. I pray for all folks who are experiencing a turning point, or several turning points, in your life: that you may experience the power and presence of Christ in your life. That you may remember that you are marked by the cross of Christ on your forehead, and that you are called to bring blessing and grace to the people you meet throughout your life. I pray that each of you, equipped for the joys and tribulations of life by such a faith, may embrace life with gusto and hopeful expectation.

Walking with you along the WAY – Pr. Nancy

**Old Business**

Report on property sale- We are waiting on the results of the survey to have the correct legal wording on the Purchase Agreement. Update on the furnace/AC unit: Rick Whistler will contact us in the next few weeks to let us know when he will be installing the new unit.

We also reviewed the A and C Forms to the Synod, noting that there are 84 baptized members at St. Paul's and 76 active members.

Long-term Goals for Congregations: Pastor asked, "Are we okay with the way things are going?" We are small; is that okay? We should reach out to our church family and make a contact to those we haven't seen in awhile. Fellowship will create a list and determine how Council will begin to make those connections, at least 3 to 4 times throughout the year. It was discussed that in the future, we should continue those conversations about yoking with other churches and having money set aside to provide for the health care benefit costs for the next Pastor. We need to have a plan to implement when this occurs.

We also need to replace the money from the Memorial Fund that was borrowed to pay for St. Paul's expenses that could not be met through offering. The amount to be repaid is \$6600. It was determined that \$50 per week from excess budget would go towards repaying the Fund, and that this plan would begin implementation today, April, 17, 2016.

Lana motions to accept the long-term goals, and Dakota seconds. Motion carries.

Council did a walk-about of St. Paul's and its grounds to determine needs.

Meeting adjourned.

### St. Paul's Council Meeting Minutes Summary

Members present: Pastor Nancy, Anita Simmons, Kay Spieler, Lana Kaldenberg, Marilyn Woods, Gail Clouse, Amanda Thomas, Dakota Kelley,

Marilyn motions to approve the agenda. Lana seconds, and the motion carries.

Gail motions to approve February Council Minutes, Lana seconds, and the motion carries.

**Treasurer's Report-** St. Paul's has a positive balance, as giving has been consistent. The average weekly offering is about \$1577, and the budget requires \$1431 per week. Also, St. Paul's was reimbursed \$4000 from the Edward Jones. It was discussed whether to reinvest this money or set it aside for Needs List. It was approved by consensus to table the issue and leave the money in the account as cash. President Kay Spieler accepts the Treasurer's Report as presented and will file it for audit.

**Pastor's Report-** Attendance is up, and offering is doing well.

Pastor posed this question: "How can we feel more comfortable sharing how God is active and present in our lives? Could we share a testimonial? Or how we have witnessed?" Pastor may call on Council to share during sermons.

### Committee Reports

It was noted that to help meet the needs of St. Paul's, our committees need to function more efficiently and effectively.

**Worship:** has decided to have one Saturday worship a month during the summer, that day being the first Saturday of each month.. June, July, and August will each have one Saturday sermon. Listen to KIIC for announcements, signs posted at St. Paul's and also at the library for getting the word out about the Sat. worship. They continue to choose hymns and liturgy.

**Faith Formation/ Christian Ed:** There are a few weeks left in the Home Huddle curriculum before the next begins, which will be focused on Psalms. Fall, Family Huddles will continue but with one lesson per week, which is a change from one lesson per day. Vacation Bible School will be focused on Global Awareness.

The question was asked: "Is there any interest in St. Paul's youth attending Lutheran church camps? There are camps for young children and even for teens. There are at least three Lutheran church camps in Iowa.

**Missions:** At the next meeting, we will prepare for the upcoming Fall events.

**Fellowship:** This group wants to schedule a meeting date.

**Property:** There is a new form to complete to volunteer for the Saturday sermons which are in June, July, and August. Dakota Kelley reported that the committee wants to paint the music room, the hallways, and the large fellowship area. Council discussed that the ceilings should be painted as well as the walls. Lana said she would donate some paint. Gail has a painting that she will be donating soon. A date will be determined to begin painting. Dakota stated that he sent a school-wide email to ACHS students asking for volunteers to help with the painting-he had one reply requesting a date and time. Dakota will create a sign-up sheet and share it with Gloria. The sign-up sheet should include date, time, items to be donated or loaned, like drop cloths, use of ladders, rollers, pans, painter's tape, etc...Gloria will also put a write-up in the upcoming Newsletter.
